

POST-EVENT COMMUNICATION

Facts, figures and feed-back!

Dear Faculty,

That's with a great pleasure that we give you a quick feed-back on our **“TKA Primary and Revision Instructional Course”**, held in Abu Dhabi, on **April 17th-18th, 2013**.

Learning Objectives:

- Select the patient, define the planning and approaches for a primary surgery
- Explain the various solutions for rotational positioning, balancing and patella management
- Review the various concepts for difficult primaries surgeries
- Identify reasons of TKA failure
- Draw a treatment strategy for infections cases
- Review solutions and difficulties in revision surgeries

Faculty:

- S. Hofmann, MD, Assoc. Prof.
- M. Pietsch, MD
- S. Tarabichi, MD

Attendees:

- Effective presence: 26
- Registered: 29

Staff:

- Effective presence: 5

Most appreciated points:

- Small group discussion
- Case discussion
- Surgery videos
- Interaction with the Faculty

Points to improve:

- Provide a DVD with surgery videos
- Add workshops

Important statements of the Course Evaluation:

Statement	Score/10
My confidence with this type of surgery <u>BEFORE</u> the course	6.8
My confidence with this type of surgery <u>AFTER</u> the course	8.3
My clinical experience with the implants used on the course	7.1
The didactic parts of the course...	
Basic principles	8.8
Indications, contra-indications and patient selection	9.0
Design rationale and implant options	8.8
Surgical approaches	8.9
Operative techniques	8.8
Personal experience and complications	8.8
Literature review and clinical results	8.5
General discussion	8.9
Case discussion	9.1
Overall Course score	
Overall length of course	8.4
Overall content of the course	8.9
Clinical relevance to my practice	8.8
Level of interaction	8.3
Small group discussion	8.2
Performance of teaching faculty	9.1
Level of instruction	8.8
How worthwhile was this course for you?	
Improvement in my practical skills	8.1
Improvement in my knowledge	8.5
Improvement in my clinical decision making	8.9
Did this meeting fulfill your expectations?	8.4

Were your questions & uncertainties addressed?	8.6
Was the educational level of the course appropriate for you?	8.8
How enjoyable was this course?	8.8
How strongly would you recommend this course to others?	9.1
How likely are you to adopt the practices shown on the course?	8.6

Complete experience 8.9

Once again, we would like to thank you very warmly for your cooperation and implication in the organization of this challenging course.
